EDUCATION

MallaReddy University

Artificial intelligence and machine learning B.tech

CGPA: 9.0

Maisammaguda, Medchal

july 2023 - may 2027

EXPERIENCE

Codec technologies | Java Developer Intern

Hyderabad, India | July 2025 - August 2025

Assisted in backend development tasks using Java and Spring Boot.

Worked with REST APIs and MySQL database integration.

Collaborated on debugging, testing, and optimizing application modules.

Used Git for version control and project collaboration.

Ascendix solutions | Intern in the AIML field

Hyderabad, India | April 2025 - May 2025

Explored AI/ML workflows and industry applications.

Worked on understanding machine learning concepts and real-world implementation approaches.

Collaborated with peers and mentors during internship activities.

SKILLS

Programming Languages: C++, Python, Javascript

Tools / Platforms: VS code, git, Jupyter Notebook, github, google colab

Databases: MongoDB, MySQL

PROJECTS / OPEN-SOURCE

Personal Portfolio Website

Technologies: HTML, CSS, JavaScript

Designed and developed a responsive personal portfolio website. Created sections for projects, skills, education, and contact information. Improved frontend development and responsive design skills.

To-Do List Application

Technologies: HTML, CSS, JavaScript

Developed a task management application with add, delete, and mark-as-complete features.

Implemented DOM manipulation and local storage functionality.

Focused on user-friendly interface and responsive design

Weather Application

Technologies: React.js, API Integration, CSS

Built a weather application using public weather APIs.

Displayed real-time weather information based on city search.

Improved understanding of API fetching and React components.

Eye Ease Detection System

Technologies: Python, OpenCV, Flask

Developed a real-time eye fatigue and drowsiness detection system.

Implemented facial landmark analysis and alert mechanisms.

Gained exposure to computer vision fundamentals and practical implementation.

CERTIFICATIONS

- Microsoft Azure AI Fundamentals certifications - **Microsoft**
- B2-level Cambridge certificate - **Cambridge**
- Innovation and entrepreneurship summit - **Mallareddy University**
- NEP-SAARTHI participation - **NEXPERA (Mallareddy University)**
